The Champlain Open Air Sanitarium at South Hero has just closed its second season. The sanitarium was opened two years ago by Dr. H. E. Lewis of Burlington, and was for the treatment of tuberculosis cases. The first year a large number of patients was treated but the second season an even larger number applied for treatment. Some were mild cases while others were in various stages. The sanitarium was in the form of a camp, being composed of a large number of specially constructed cottages. CHOKING CATARRH CURED

Mr. Carswell Says, "Hyomei Cured Me."—Your Money Back if It Does Not Cure You.

"Use Hyomei and be cured of catarrh," is what all who have tried it for that disease say to their friends. O. S. Carswell of North Middleboro, Mass., writes: "Hyomei has relieved me from a choking catarrhal trouble and cleared my head. I am glad to recommend it to my friends."

It is the easiest thing in the world to stop catarrh or a catarrhal cold at its beginning if you use Hyomei. Just breathe the health-giving, balsamic air for a few minutes and your catarrh will be cured. In the worst cases of this disease, chronic or acute, Hyomei used four or five times a day is all that is needed to soon effect a cure.

In this and neighboring towns there are hundreds that can testify to the remarkable powers of Hyomei to cure catarrh. Many of the staunchest friends of this remedy began its use with little hope that they would be cured, but as Rickett & Wells offered to refund the money if it did not benefit, they decided to try it on that plan, and were soon restored to health.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime, and if one bottle does no cure, an extra bottle of Hyomei can be obtained for 50 cents.
